

Bus Routes on Corridor: B41

Current Corridor Ridership: 44,000 trips/day

Potential Benefits

- Serves future development at Atlantic Ave (Nets Arena)
- Functions as a Subway extension to and from Nostrand Avenue terminus of the 2 and 5 trains
- Coherent, well-defined corridor. Signature street in Brooklyn

Implementation Issues

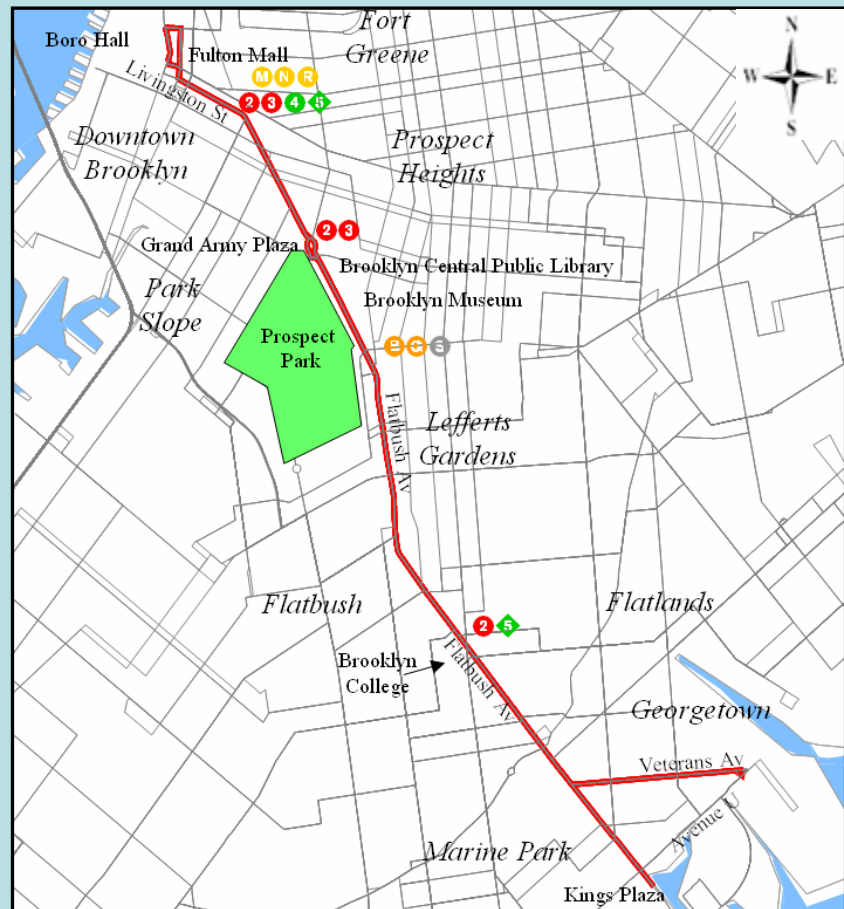

- Intense commercial activity along entire route, typified by on-street parking and illegal double parking
- Significant presence of dollar vans
- Narrow cross-section for much of corridor
- Number of atypically complicated intersections
